ABOUT US

FCX Automotive, a division of FCX World Group, was established in 2021 in Istanbul, Türkiye, specializing in automotive accessories for commercial and passenger vehicles.

With extensive experience in the automotive accessories sector, we offer a diverse and continuously expanding product range, focusing on quality, durability, functionality, and competitive pricing to meet the evolving needs of international markets.

Our commitment is to provide reliable products, efficient export services, and professional customer support to wholesalers, importers, and distributors worldwide. We focus on building long-term business relationships and delivering solutions that support our partners' growth and competitiveness in their respective markets.
